

East Hanover Child Care Center

January 25, 2017

Dear Parents,

Believe it or not it's time to think about summer camp already! We are opening registration to those of you that currently attend our center or attended our program last year before going to outside inquiries.

Description: our summer program is for *children 5 years old (having completed Kindergarten) through the age of 10*. We provide structured activities in an engaging, safe and enriching environment.

Operating Hours: our camp operates from *7 am till 6 pm* and offers flexible enrollment to accommodate the changing needs of families from the weeks of *June 26th through September 1st*.

Field Trips: on *Wednesdays* children will participate in field trips at various locations. All field trips are thoroughly examined and selected for appropriate age levels. We offer a variety of field trips that cover a broad range of interests.

Swimming: weather permitting, children will be taken to the East Hanover Township Pool *every day, except Wednesdays, in the morning and the afternoon*.

Physical Education: *every morning, except Wednesdays*, the children will have a PE lesson. They will do it in two groups according to age.

Other activities: all planned activities correlate with a weekly theme. Activities include arts and crafts, sports, games, science experiments, gardening and much, much more! *Every morning, except Wednesdays*, the children will do some reading, writing and play math games so that, by the time the summer ends, they transition well into school.

Lunch/Snack: as usual, children can bring their own lunch or you can order lunch for them through Simply Gourmet. Snacks will be provided.

We keep a low staff:child ratio to ensure your child's safety as well as individualized attention. The children are supervised by experienced and caring staff members. Rainy days are no problem because our indoor play area is always available for the children to play. Give your child a safe, meaningful and fun-filled experience during the summer months!

In order to hold a spot for your child, we will need to receive your \$50 camp fee by Wednesday, March 1st. If we do not receive it by then, we will assume you have made other arrangements and will go on to the next family. Enrollment is based on a first-come-first-serve basis so please return your registration form along with your check to secure a spot as soon as possible.
